Hi everyone,

You may recall we ran this response to Puerto Rico Limpio's letter through HQ a week or two ago, and OCIR and OPA gave some comments (perhaps OLEM too?). Our Deputy Regional Counsel made some further changes, particularly to the paragraph addressing the call to take over the program. I wanted to give you a chance to look at it again before it goes back to Judith for her final review and signature. Because Judith travels to PR on November 29 and is there through the 3<sup>rd</sup>, we'd like to either get it out the early part of next week. We are positive that Limpio will issue a news release when they receive this.

If possible, can you please get back to Mike McGowan and Berry Shore in my office by COB tomorrow with any show stoppers?
